

Will you have a BCD and Wetsuit that fits me?

We have a nice selection of BCDs and Wetsuits in our rental line but we cannot guarantee that we have gear for every body type. Please take a look at our manufacturer's BCD and Wetsuit sizing charts below. Our wetsuits are 3mm long-sleeved shortys which is sufficient exposure protection for most divers given our water temps. If you are not sure we have gear that will fit, or know you get cold easily, we suggest you visit your local dive shop for gear prior to your trip.
